

Asking Questions

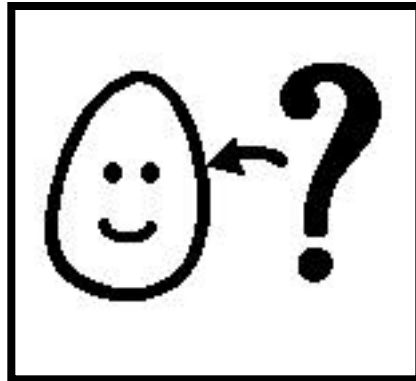

I like to talk to my friends.

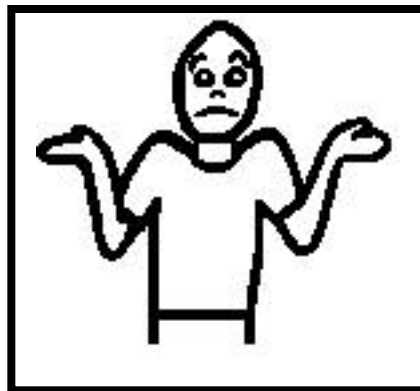

I like it when my friends talk to me.

To talk to my friends I need to ask questions.

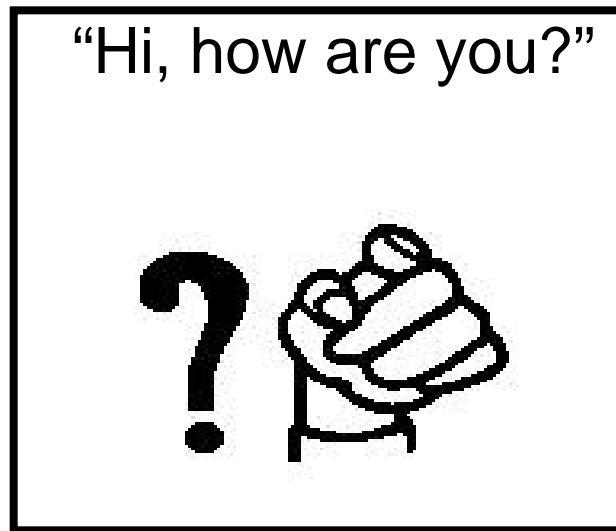

Sometimes I do not know how to ask my friends questions.

I can practice some questions that will help me talk to my friends.

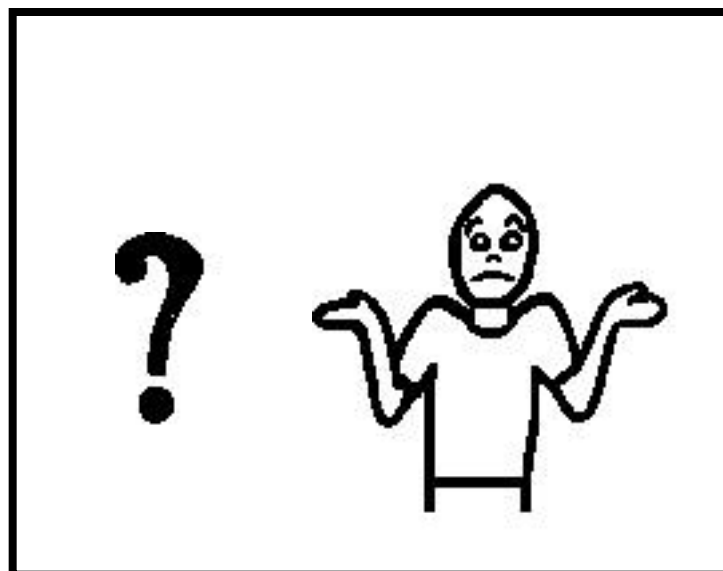

When I see my friends at school I can say

When I see my friend playing I can say

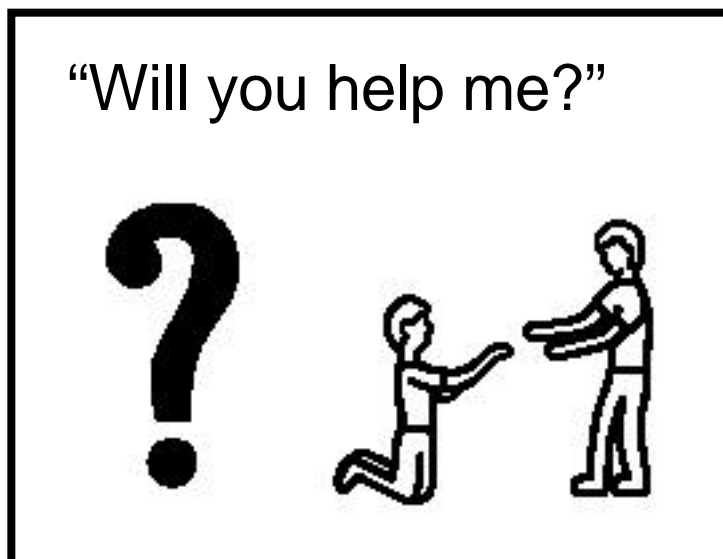

“What are you doing?”

When I want to play with a friend I can say

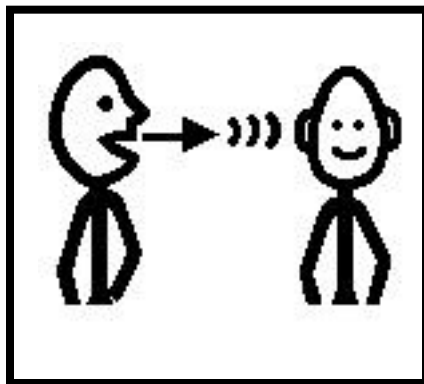

When I need help I can say

Asking questions is a good way to talk to my friends.

My friends will talk to me.

That will make me happy.
