A vintage Thanksgiving greeting card illustration. It features a large turkey with its tail feathers fanned out on the left. In the center, a turkey is shown in profile, facing right, with a red wattle and a blue neck. To the right, there is a basket of fruit, including grapes, apples, and oranges. Below the turkey, a banner reads "THANKSGIVING" and another banner below that reads "GREETING". The background is a light blue and green color with decorative scrollwork.
